This is the No.1 Pool game in the Android market and it is completely free. Game features:1. Realistic 3D ball animation2. Touch control for moving stick3. 8 Ball Pool and 9 Ball Pool4. Single Player Mode: 4.1 VS Mode: Player vs. Computer/Player (with Rules)4.2 Time Mode - Straight Pool Game (no rules) - Challenge (2 minute deadline with high score record) - Practice (no time limit but no high score record) 5. Play online mode (with rules): Compete 1-on-1 with real players all over the world. Win the battles and put the chips on the line. You can use the chips to customize and upgrade your cues or engage in higher-ranking battles!6. Arcade Mode: 180+ Challenging levels (no rules)How to play: 1) VS Mode: Player vs. Computer/Player (with rules)Play against computer AI/Player with standard 8 ball rules or 9 ball rules. Tap the screen to adjust the direction and drag down the power-up in the right to strike. Press and hold at any time to move the cue-ball and press to confirm free-ball.2) Time Mode (no rules)The purpose of the game is to pocket your set of assigned balls. The more balls sink the higher the score you get. Tap the screen to adjust the direction and drag down the power-up in the right to strike. The original time limit for Challenge Mode is 2 minutes, but when you sink a ball, you get extra time. Since all the balls have been cleared, the pot will create a new group of balls to keep the game going. You can also play Practice Mode, which has no time limit but no high score record.3) Arcade Mode (New and No Rules)You must pocket all the balls on the table within the given number of cues. There is no time limit and rules for this mode, but be careful that you only have a limited number of cues. Rack em! Note: The permissions required in this game are used only for online leaderboard.
